

HOW TO FIND THE RIGHT U.S. SCHOOL OR PROGRAM FOR YOU

**HOW DO
YOU CHOOSE
THE RIGHT
PROGRAM
FOR YOU?**

What are my
career goals?

What are the
degree
programs
the school
offers?

Where do I
want to
live and
study?

Do I excel
in a learning
environment
with fewer
students?

Is cost an issue?

WHEN I LOOKED FOR COLLEGES, StudyUSA was so helpful. It provides a lot of information that most international students need about colleges and universities; for example, TOEFL score, English Program, which universities students transfer into after graduating college.

Tetsuya Suzuki, graduated from Butte Community College and is now studying at California State University Chico emphasis on MIS (Management Information System) or EIS
