

Top public community college in California

L.A. Pierce College

Los Angeles Pierce College (LAPC) is a public two-year post-secondary institution located in Woodland Hills, a thriving suburb of Los Angeles, California. The campus is located just 10 miles (16 km) from Malibu beaches.

Founded in 1947, LAPC offers courses in 145 disciplines which includes 87 associate degrees and 63 certificates.

Over 12,000 students attend LAPC, and the college hosts international students from over 40 countries around the world.

LAPC students are eligible to ride the LA Metro (public transportation) for free, and there is a bus stop in front of the college.

➔ Why Choose LAPC?

- **Programs and majors:** LAPC offers a wide variety of accredited programs including associate degrees, university transfer pathways, and short-term certificates.
- **University transfer partnerships:** the college has excellent transfer rates to the University of California (UC) and California State University (CSU) systems
- **Affordable tuition:** full-time enrollment tuition for one academic year is less than \$11,000 USD (for 24 units)
- **Minimum English Proficiency Score:** TOEFL 45 iBT, IELTS 4.5, or Duolingo 75
- **Minimum Secondary School GPA:** 2.0, or "C" average
- **Fast application processing:** applications are processed within 2 weeks
